Dear Ms. Moeller:

This letter will act as a contract between the Leon County Board of County Commissioners and the Florida Humanities Council (FHC) in support of a Prime Time Family Reading Time reading and discussion series in your community.

This award has been granted to the Leon County Board of County Commissioners in order to enable you to pursue the related activities outlined in the Prime Time Site Support Manual.

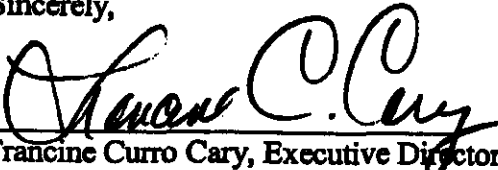

The \$1,200 grant comes from the Florida Department of State grants to FHC through the Division of Cultural Affairs. These monies, along with your in-kind or cash contributions, and the National Endowment for the Humanities funding received by the Louisiana Endowment for the Humanities, represent a true partnership among federal, state and local agencies and should make a real difference in the community.

A check for \$1,200 will be sent to you upon our receipt of your signed contract.

Your final narrative and budget reports, including matching sponsor cost-shares and in-kind contributions, will be due in the FHC office no later than 30 days after the completion of the last program.

To indicate your agreement with these conditions, please sign one copy of this letter and return it to the FHC office. Congratulations on your grant.

Sincerely,

Francine Curro Cary, Executive Director
Florida Humanities Council
